

Press Release - Lee Oskar Productions

Press Release: Meltdown Productions has partnered with Lee Oskar Productions to provide video production services, animation and post production solutions. Lee Oskar Productions is a mobile media content developer, music publisher and one-stop production studio located in Redmond, WA. Lee's distinguished musical history as the harmonica pioneer formerly of the band WAR, has set a new unique quality bar in his offerings of mobile media ringtones for many major carriers such as Sprint, T-Mobile, Cingular, Jamster etc. Lee continues to compose and play in the newly formed Lowrider Band, together with many of the remaining original members of WAR.
